## OUR EXCLUSIVE PROGRAM FOR YOU IN SOUTHERN FRANCE

### ● Day 1 | Arrival day

Our drivers will be at your service to pick you up from Marseille airport in time to join a guided city tour of Marseille. We will then accompany you to your base hotel for your driving experience in the heart of Provence. Meet your fellow travellers during an exquisite welcome dinner.

### ● Day 2 | Driving day

Ladies and Gentlemen, it is time to start the engines! Discover Southern France through your first full driving day. You'll enjoy a coffee break in Saint-Remy-de-Provence. Then take a city visit in Avignon as you discover French history, ending with a stop at the city-on-a-hill Gordes. Enjoy French cuisine at a group dinner in the area.

### ● Day 3 | Driving day

After an exciting first start, we'll take it slow and go the long way towards Arles. This old city's amphitheater is a jewel among the rest. Along the drive there, be impressed by the landscape made of vineyards, medieval villages, and the limestone rocks of Alpilles, the 'small' French Alps.

### ● Day 4 | Driving day

This is the day that many of you have been craving: Blooming Lavender fields and a pristine French castle. On the drive into Lourmarin, you'll slow down as your eye catches the lavender hue of the flowers. Lourmarin will welcome you with an authentic castle to explore at your leisure, and this evening we say farewell with a last dinner.
