Past Event: Sunday, April 28th Cass Rally and Winery

Six cars, and one dozen participants, comprising the entrants to the Magnificent Seven Tour to Wine Tasting & Lunch, departed the Madonna Inn at 10:00 am April 28, 2024. After forming up at Santa Margarita, this 68-mile tour headed for Santa Margarita Lake. The next segment was a tour of the Huer Huero Creek Valley. While no aliens were encountered, a giant rooster and multiple dwarfs were seen. The last leg included a seventh return to our fabled favorite "Rossi's Driveway" before arriving at Cass Winery for a private lunch in the Cass Library and confabulation (e.g., Did you get lost? Event Details

Legends of the Autobahn 2024 celebrates 25 years of post-merger AMG.

MBCA Vehicle Registration - [Legends of The Autobahn 2024 \(cvent.com\)](#)

Attend **Legends of the Autobahn** during Monterey Car Week 2024! This year's event highlights 25 years of post-merger AMG. All Mercedes-Benz are welcome. The following categories include:

- **Display cars:** open to all vintages. Not a judged category. It places your car as part of the show to display your prized car to the attendees.
- **Judged Car Category:** for cars 20 years and older. Each class has 3 awards. Judging is based off original condition criteria.
- **25 Years of Post Merger AMG Category:** This year we celebrate 25 years of post merger AMG. 25 years ago on January 1, 1999, Mercedes-Benz became the majority shareholder of AMG. We will celebrate this milestone. This class is open to vintages.
- **Silver Star class:** Cars of all conditions of originality. This is a preservation class. Patina is welcome and appreciated.

Legends of the Autobahn is a free event for spectators. Come see an incredible array of Mercedes-Benz vehicles in beautiful Monterey at this flagship event.

* Early bird registration is now live. Prices go up on July 10th and again on July 31st. Register now to get your best price. There will be a strict cut off at the end of July for both judged and Silver Star cars. We will accept display cars in August however.

* The event runs from 8am-3pm approximately. So if you bring a car you are committed to the full event. Due to logistics cars must remain in place.
