

THE ROAD BENZ

PRESIDENTIAL ADDRESS

TYLER HOOVER - SECTION PRESIDENT

Dear friends,

2011 is going to be a great year for the club. I was very excited after our officers meeting with the many events we've planned for the year.

Dave wowed us last year with his detailing seminar and is now going to take us through the technical side of things with our 2011 technical session. Of course, we will be returning to McPherson college for their fantastic show. For the first time we are going to try one of Wichita's biggest shows, the Automobilia Moonlight car show in downtown Wichita. We will close out the year with our Octoberfest cruise along with a holiday party.

For the Automobilia Moonlight car show on July 10th, we will need you to RSVP in advance. If you haven't attended before, it's one of the largest and entertaining car shows of the year, starting at 6:00pm and going until 12:00 AM. Oldtown is closed off at 1st and 2nd street to accommodate all the cars, attendees, and events. Email tylerh860@aol.com to reserve your spot.

New members feel free to contact us and introduce yourselves, and we look forward to meeting you.

Your President,

Tyler Hoover

UPCOMING EVENTS:

McPherson C.A.R.S club car show

Date: May 7, 2011

Location: McPherson College
Campus. 1600 East Euclid
Street, McPherson, KS

Time: 9:00-10:00 a.m.
registration

The Wichita section always returns to this fantastic show put on by McPherson college's premier automotive restoration program. Come see the beautiful cars and tour the grounds, including the many active restorations involved with the school.
