

THE ROAD BENZ

February, 2012

PRESIDENTIAL ADDRESS

TYLER HOOVER - SECTION PRESIDENT

Dear friends,

Another year rolls by, and here we are kicking off 2012.

I am yielding my position as section president this year, but still plan on being active in the club and attending events. If you like free food we have the perfect event for you coming up on February 18th.

We have the party room booked at the Old Chicago near Town East Mall with our goal being to re-connect with fellow members, get fresh ideas for 2012, and recruit/elect new officers. As a treat, the club will pick up the bill for you and one guest for an entree and soft drinks. You are of course welcome to do the world beer tour if you desire, but on your own dime.

Lunch is at 12:00, and you will need to RSVP with our secretary Steve Beskett to get the free meal. His e-mail is sbeskett@yahoo.com

Please join us with empty stomachs and minds full of new ideas. Also remember our big McPherson college regional event is just 3 months away. Star Magazine columnist and current McPherson college automotive restoration program student Shane Dresser will be joining us, giving some insight on the school and this fantastic annual event.

Regards,

Tyler Hoover
